Mounting set for ceiling installation is already included within all C/S modules.

For Line versions the end-cap must be ordered separately - see accessories.

Adjustable wire suspensions and power cable with ceiling cup must be ordered separately for all C/S and SDI versions - see accessories.

The prices are valid for white or black colour finish. For other colour options see adders at the end of the price list.

Mounting set for ceiling installation is already included.

Adjustable wire suspensions and power cable with ceiling cup must be ordered separately for all C/S and SDI versions - see accessories.

End-cap set for Line systems needs to be ordered separately - see accessories.

The prices are valid for white or black colour finish unless specified differently. For other colours see adders at the end of the price list.
